CH: Shane and Josh were the meanest partners
the wild west had ever seen
from Wangaratta to Timbuktoo
and everywhere in between

Verse:(Cumulative)

They ride so fast	they ride so fast
They stamp their feet	stamp, stamp, stamp
They shake their fists	shake, shake, shake
They eat their beans	slurp, slurp, slurp
They holler out loud	YE HA!
They sleep all night	they sleep all night

Suggested Activities

- Do the actions on the spot: ride so fast, stamp their feet...sleep all night.
- For movement, walk in cowboy fashion on chorus then gallop in a circle adding actions on the verse.

For older children:

- Take a partner for a walk in a circle.
- On the words they ride so fast gallop around the circle to end with a new partner each time.

For special needs children:

- Model the cumulative actions or assist the child to do them adapting if the child has limited mobility e.g. imitate galloping on the child's knees with your hands.
- Emphasize the tempo change on ride so fast.
- Model the cumulative actions to encourage auditory memory.
